ELECTRONIC SERVICES

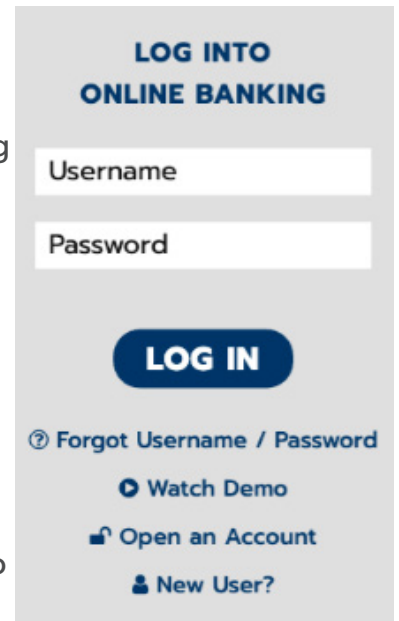

ACTION REQUIRED

- Members interested in using Sunmark’s Online Banking, Mobile Banking, and eStatements can do so starting March 1, 2021. You can **log in at www.sunmark.org** or via the mobile app by using your new Sunmark account number as your username and the last four digits of your social security number (SSN) as your password. You will be prompted to change both after logging in for the first time. **Don’t forget to download our app to your smartphone!**

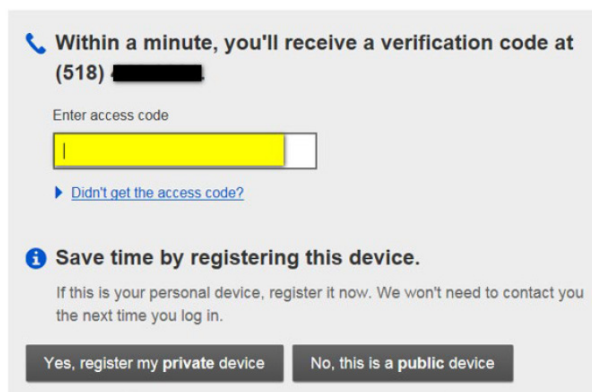

ONLINE BANKING FIRST TIME USER GUIDE

(beginning March 1, 2021)

- Step 1: Login at www.sunmark.org by using your account number as your username and the last four digits of your Social Security Number as your password. Don’t worry - you’ll be prompted to change them! Hint: If you click “New User?” on the bottom of the log in screen, it will remind you of what to do!
- Step 2: Review and accept the Terms and Conditions.
- Step 3: Set up a new username and password. Usernames must be a minimum of six characters and can’t be all numbers. Passwords must also be at least six characters as a mix of letters, numbers or symbols.
- Step 4: For added security, you will receive a one-time passcode sent either to your email address or a phone number. Once you receive the one-time passcode, you must choose whether or not to register the device you’re using for Online Banking.

OVERDRAFT PRIVILEGE

It's important to keep your checking account in good standing – but even the most careful number crunchers need a hand at times.

Options for Covering Unexpected Overdrafts

Life happens! Sunmark Credit Union understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help.

Overdraft Coverage Options

The choice is yours. Consider these ways to cover overdrafts:

Service	Cost
Overdraft Protection Link to Another Deposit Account you have at Sunmark Credit Union ¹	\$3.00 Transfer Fee per transfer
Overdraft Protection Line of Credit ^{1, 2}	Subject to interest
Overdraft Privilege	\$30.00 Overdraft Fee per item

¹Call us at 866-SUNMARK, email us at memberservice@sunmark.org, or come by a branch to sign up or apply for these services;

²subject to credit approval.

Overdraft Protection services apply to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another account or line of credit you may have at Sunmark Credit Union for a fee or finance charge. Please note that overdraft lines of credit are subject to credit approval.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted.

You currently have Standard Overdraft Privilege Coverage in the amount of \$900 on your account.

OVERDRAFT PRIVILEGE (CON'T)

What Else You Should Know

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$30.00 Overdraft Fee is the same fee amount that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Item Fee of \$30.00. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Sunmark will charge a Return Item Fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Sunmark may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee.
- There is no limit on the total Overdraft Fees per day we will charge.
- This describes the posting order for purposes of determining overdrafts. Our general policy is: ACH credits are posted first then ACH debit transactions. Paper checks are paid by share draft number lower to highest. Debit card transactions, online transfers, ATM transactions, ITM transactions, and in branch transactions are posted in the order they occur. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed.
- Although under payment system rules, Sunmark may be obligated to pay some unauthorized debit card transactions, Sunmark will not authorize debit card or ATM/ITM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM/ITM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- Sunmark authorizes and pays transactions using the available balance in your account. Sunmark may place a hold on deposited funds in accordance with our Master Account Agreement and Disclosures, which will reduce the amount in your available balance. The available balance for paper checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM/ITM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM/ITM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Sunmark's ATMs/ITMs.
- Sunmark will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, Sunmark will not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- Sunmark may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Sunmark may also suspend your debit card if your account is overdrawn more than 32 consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- Sunmark may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card(s) for purchases or to access your account(s) associated with the debit card(s) at the ATM while your debit card is suspended. If you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- An Overdraft Privilege limit of \$900 will be granted to eligible Consumer Checking accounts opened at least 30 days in good standing.
- An Overdraft Privilege limit of \$1,000 will be granted to eligible Business Checking accounts opened at least 60 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Master Account Agreement and Disclosures and the Rate Addendum and Schedule of Fees and Charges. The total (negative) balance, including all fees and charges, is due and payable upon demand.

If you have any questions about Overdraft Protection or Overdraft Privilege, please call us at 866-SUNMARK or visit a branch.
