### WHAT VOLUNTEERS ARE SAYING:

"Volunteering for the Credit Union Board of Directors and the Supervisory Committee has allowed me to expand my knowledge of our Financial System /Member Owned Credit Unions, allowed me to provide member representation in all matters affecting financial decisions (policy) along with networking opportunities with other volunteers. This is a privilege that I greatly value."

**- Ralph L., Director**

"Serving as a director of Sunmark provides great personal satisfaction because of the high caliber of people with whom I interact and the good things that the credit union does to serve its members. I also have the opportunity to improve my financial, business leadership, and strategic thinking skills."

**- Parker P., Director**

"As both a business owner and an active member of the capital region community, I believe we each have an obligation to support the economic and cultural organizations in our region. I feel that Sunmark's commitment to these values closely align with this mission and provides volunteers an opportunity to impact the region in a positive and meaningful way."

**- Amy J., Director**

"Volunteering on the Supervisory Committee at Sunmark has allowed me to expand my knowledge of financial systems, member services, credit union regulations and business practices. Being a volunteer expands your member experience by opening up your aperture to see the inner workings of how Sunmark operates in the best interest of our members. If you feel you have something more to offer as a member, consider applying to be a volunteer on the Supervisory Committee or Board."

## Become a Sunmark Volunteer!

Sunmark Credit Union volunteers do all that – and much more!

As a member-owned financial cooperative, Sunmark relies on member volunteers to serve on its Board of Directors and Supervisory Committee. Volunteers ensure financial soundness and guide strategic and policy decisions in a wide variety of areas including technology (i.e., Web site, online banking), branch deployment, product development, marketing and member service.

By becoming a Sunmark volunteer, you can help your credit union continue to grow and respond to member needs. Volunteering also provides an exciting opportunity to learn, develop business and leadership skills, and network with others. Sunmark volunteers are an integral part of Sunmark's success!

## How Sunmark Volunteers Serve

Volunteers who come together for the sole purpose of representing the best interests of Sunmark's members are the cornerstones of what makes credit unions unique. Our volunteers enrich the lives of all the members they represent, and enhance their own leadership, management, and financial skills.

**Board Members:** Board members are elected to three-year terms of office by Sunmark's membership at the annual meeting. They set future strategy, develop policies, oversee Sunmark's financial security, review the CEO's progress in achieving goals and objectives, represent the interests of the entire membership, and report to the members at the annual meeting. In addition to attending monthly board meetings, directors have opportunities to serve on committees and task forces and to receive free training and education on issues important to the credit union and its members.

**Associate Board Members:** Associate Board members are appointed by the Sunmark Board of Directors on an annual basis. They attend the monthly board meetings and participate in all discussions, but do not have voting authority. They have access to free training and education to help them fulfill their role.

**Supervisory Committee Members:** Committee members are appointed to three-year terms by the Sunmark Board of Directors. The Supervisory Committee verifies credit union records, monitors financial controls and procedures, and works with Sunmark's internal auditor and external audit firm. Committee members typically meet on a monthly basis, and have access to free training and education to help them fulfill their role.
